## Company Profile

Spinning | Weaving | Garment

## About Us

PT Industri Sandang Nusantara was established in 1961 by the government of Republic of Indonesia to fulfill the demands of textile in Indonesia. PT Industri Sandang Nusantara is a national spinning, weaving, and garment company and produces yarn, greige, fabrics, apparel, and others that are sold both domestic and export.

PT Industri Sandang Nusantara (SOE) has one Head Office and seven Manufacturing Facilities **located** in Bandung, Cilacap, Tegal, Magelang, Malang, Pasuruan and Makassar.

## Production Facilities

## Our Products & Services

### Spun Yarn

PT Industri Sandang Nusantara (Persero) is a pioneer in spinning industry in Indonesia and deliver its best products and services in the spun yarn. Our spun yarns are from natural fiber, man made fiber and its blends such as Cotton, Polyester, Rayon, etc. ranging from Ne 10 to Ne 60.

### Greige Fabric

Our greige fabric is one of the best in its class. Our product range covers all fashion products include denim fabric, canvas, suiting, etc.

### Gauze, Facial Cotton & Medical Cotton

In order to diversify its products, PT Industri Sandang Nusantara expands its product range toward gauze, facial cotton and medical cotton. This diversification aims to provide high added value to our products and services as well as to our customer.

### Garment

The garment facilities was initially built in 2015, ranging from uniform, outwer, wearpack, underwear, batik, veil, and others. The garment facilities transform fabric into ready-to-wear clothing.

The aim is to develop the textile capacity in the downstream sector which allows PT Industri Sandang Nusantara to expand its product range in its entire production facilities.

### Textile - Trading

Textile trading unit is a business unit in the field of Trading of raw materials to garment products which are batik, daily batik suits, daily uniform, Polo shirts, T-shirts, automotive clothing, jackets, denim, hats, bags, merchandise, artwork, embroidery and printing fabric.
